Our school is joining the fight against blood cancers and helping the Leukemia & Lymphoma Society fund research and care for patients. This year, Fruit Cove Cares Club and B6 have teamed up to sponsor the Leukemia & Lymphoma Society Fundraiser. The event runs through February 23rd. Letters and collection boxes were handed out to students earlier this week. The collection boxes should be returned to your child's homeroom teacher. The class that raises the most money will win an Olive Garden pasta party!

Thanks to schools like US and donors like YOU, there are more children and adults surviving every day.

All donations are greatly appreciated and are tax deductible. Donations support LLS research, patient services, advocacy, public and professional education, and community services.

On behalf of blood cancer patients everywhere, thank you for your support!
