FRUIT COVE MIDDLE SCHOOL STUDENT HANDBOOK 2018-2019

This handbook is intended as a guide for information, policies and procedures that govern the basic operation of our school. It is essential that all students know the contents and use the handbook throughout the year. Administrators, counselors, and teachers will help answer questions about this guide and/or topics which it does not address. Rules and/or procedures set forth in this planner are subject to change due to necessary circumstances that may arise throughout the school year.

ATTENDANCE

In accordance with the Florida Compulsory School Attendance Law, F.S.232.17, the St. Johns County School District will enforce an attendance policy. Please refer to your St. Johns County Code of Conduct for updated information regarding attendance and new truancy procedures.

- When a student has 5-10 unexcused absences within 90 calendar days, not including out of school suspension, contact will be made by the school to the parent/guardian by phone or letter regarding the absences.
- When a student has 15 unexcused absences within 90 calendar days, not including out of school suspension, contact will be made by email with the parent/guardian.
- Illness or other legitimate causes will be excused with the permission of the parent/guardian and the school principal, up to 15 days within the school year. After 15 total days of absences **excused or unexcused, a student must have a doctor's verification for all subsequent absences due to illness.** The fact that the student's parent/guardian had knowledge of the absence does not, in and of itself, require school personnel to record the absence as an excused absence.
- Florida legislation also requires that minors who fail to satisfy attendance requirements will be ineligible for driving privileges.

Students are required by Florida State Law to attend school every day. Regular attendance plays a very important part in determining every student's success at school. If a student is unable to attend school, upon returning, he/she must bring a note from his/her parent/guardian **within 48 hours stating the date of the absence, the specific reason for the absence, and the parent/guardian's signature.** *An absence note form is available on the FCMS website.* **Emails are not accepted for notes.** Students should turn in the notes to the front desk or attendance window. Students must communicate with

teachers about any class work that has been missed and assignments that need to be made-up. Classroom assignments will not be provided to students in advance of an absence.

The following reasons for absences are valid: personal illness, serious illness or death in immediate family, emergency medical or dental attention, recognized religious holidays, and absences approved at least 5 days in advance by the principal, *The following are not excusable absences in accordance with state attendance laws:* truancy, suspension, missing the school bus, pleasure vacations, shopping, hunting, fishing, attendance at sports events, birthdays, or other celebrations. If a student becomes ill during the school day or finds it necessary to leave campus, the student must report to the office to be checked out. The student's parent or legal guardian must pick the student up in the school office and sign him/her out on the early dismissal sign out sheet.

ATTENDANCE AND EXTRACURRICULAR EVENTS

Students must attend school the majority of the school day on the day of an extracurricular event in order to attend the event.

ARRIVAL AND DISMISSAL/CHECKOUT PROCEDURES

School begins each day at 7:50 A.M. and ends at 2:00 P.M. (1:00 P.M. on Early Release Days). Supervision of students begins at 7:15 A.M. For safety and security of our students, please do not arrive on campus until 7:15 A.M. Students arriving at 7:15 A.M. must go directly to the cafeteria where they will be released to their first class at 7:30 A.M. Students arriving after 7:30 A.M. will go directly to their classrooms.

EARLY CHECKOUT PROCEDURES: *(An early checkout form is available on the FCMS website.)*

The student needs to bring a note to the front office BEFORE class starts with the following information:

1. Student name and grade
2. Date, time, reason for release
3. Person picking up the student
4. Parent signature & phone number

The student must, also, bring his/her planner so that it can be stamped with a pass to leave class at the time he/she will be released. The student must report to the front office at the time they are to be picked up. ***Early Checkout Reminder: No student checkouts within ½ hour of dismissal time.**

MAKE-UP WORK

Parents may request make-up work for students who have been absent a minimum of three days. Please allow 24 hours for work to be delivered to the front office.

TARDY TO CLASS

It is important that students report to each class on time. Failure to do so will result in consequences according to the FCMS discipline plan.

TARDY TO SCHOOL

Students must be in their first period class by 7:50A.M. Students are required to check in at the attendance window to receive a tardy pass when arriving after 7:50A.M. Failure to bring a note with an acceptable excuse will result in an unexcused tardy. An acceptable excused tardy includes illness, doctor/dentist appointment. Oversleeping or missing the bus is **NOT** considered an excused tardy. **Excessive tardiness to school will result in disciplinary action.**

SCHOOL BEHAVIOR EXPECTATIONS/DISCIPLINE PLAN

CODE OF CONDUCT

The Student Code of Conduct outlines behavior standards for all students. Students are expected to behave in a manner that contributes to a positive school environment at all times- in classrooms, in the lunchroom, in the halls, on school grounds, on buses, and at all school functions. Students are responsible for the choices they make.

*Students will be provided with a copy of the **St. Johns County Code of Conduct**, which supports our goal for excellence at Fruit Cove Middle School. Students and parents should read this code carefully. Nothing in this section shall be constituted to pre-empt the authority of the principal to act contrary to statements contained herein in specific cases when, in his opinion, a student is attempting to use this code to disrupt the educational process of the order and discipline of this school. (A copy of the Student Code of Conduct is, also, available on the FCMS website.)*

BEHAVIOR EXPECTATIONS/FCMS FLIGHT PLAN

Students are expected to follow the school wide expectations:

FOCUS ON RESPONSIBILITY
COME PREPARED TO LEARN
MODEL RESPECT
SHOW SELF CONTROL

These 4 simple expectations encompass all of the rules applied throughout the school, and serve as a reminder for students to:

- Be at the right place at the right time.
- Be respectful of adults, other students, and property.
- Walk in the building and keep hands and feet to oneself.
- Be honest at all times.
- Eat food in appropriate locations.
- Be on task at all times.
- Exhibit positive/appropriate behavior at all times.
- Follow the above rules in all areas of the school both indoors and out.

Fruit Cove Middle School implements **Positive Behavior Support (PBS)**. PBS aims to build effective environments in which positive and appropriate behavior is rewarded. At Fruit Cove students earn Flyer Bucks that can be used to “purchase” rewards throughout the school year. Flyer Bucks can be saved throughout middle school and used to bid on items at the 8th grade auction. The 8th grade auction takes place at the end of a student’s 8th grade year during the 8th grade fun day/celebration.

BULLYING

The St. Johns County’s Student Code of Conduct defines “bullying” as:…systematically and chronically inflicting physical hurt or psychological distress on one or more students or employees and may involve: teasing, social exclusion, threat, intimidation, stalking, physical violence, theft, sexual/religious/racial/ethnic harassment, public humiliation, destruction of property. Bullying can be further defined as unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; or unreasonably interferes with the individual’s school performance or participation; is often characterized by an imbalance of power.”

ALL students, whether they are victims or bystanders, are encouraged to report bullying incidents. Students should report incidents to any FCMS faculty or staff member or through our bullying incident form located in the guidance and dean’s office. All cases of bullying should be reported immediately and will be handled in accordance with school district policy.

CELL PHONES

Students may not use cell phones to talk, text, record, search the internet, email, take photos, read books, or listen to music. Cell phone use will result in confiscation and are subject to search. Students may receive behavior consequences for not following these guidelines. **Cell phones must be turned off** during the school day and stored in student’s backpack, purse, or locker.

CONTRABAND

Video cameras, recording devices, toys, laser pointers, video games and/or players, playing or trading cards, magazines (nonacademic), and TV’s are not to be brought to school for any reason. **Personal cameras are not allowed on campus unless approved by administration.** Administration reserves the right to prohibit any items deemed unnecessary for the academic environment.

VIOLATION OF DRESS CODE CONSEQUENCES

Dress code violations must be corrected or will result in disciplinary action.

HONOR CODE:

In an academic institution, dishonesty serves to undermine the academic and intellectual integrity of the school. Cheating prepares a student for failure, and not success. By establishing the honor code, the faculty and administration of Fruit Cove Middle School indicate their commitment to work to eliminate such acts as cheating and to deal with offenses in a firm and decisive manner. Cheating involves one or more of the following:

1. Using the work of another person as your own.
2. Copying from or providing information to another student for test, examination, theme, book report, homework, class work, or term paper.
3. Preparing for cheating in advance. Such action involves:
 - a. having in your possession a copy of the test to be given or that has been given by a teacher before you take it;
 - b. having in your possession and using previously prepared answers to a test or quiz (this includes information written directly upon your person);
 - c. unauthorized use of text or notes during a test or examination;
 - d. asking or giving test information to or from another student during the test, quiz, or examination.
4. Plagiarism: Using another person's ideas, expressions or work without giving the original author credit.
5. Forging parental and/or guardian signatures.

It is not our intention to place students in a position where they can easily, and without intent, violate the honor code. Therefore, teachers will be careful to communicate to their respective classes what they expect of them while taking quizzes and tests, in completing class work, and other assignments.

Cheating may be proven against a student only under one of the following conditions:

1. A teacher or administrator personally observes an act of cheating as defined above.
2. A student admits to a teacher or administrator that he/she has committed an act of cheating.
3. Investigation by a teacher or dean proves positive.

When a teacher determines to his/her satisfaction that an honor code violation has taken place the following consequences will be issued:

First Offense/Level One: Teacher will make parent contact by phone and issue an appropriate classroom consequence.

Second Offense: Teacher will make a dean referral. The dean referral may result in ISS, an appropriate classroom consequence, and parent notification.

***** The “Clean Slate” policy does not apply to Honor Code violations. *****

FCMS DISCIPLINE PLAN

The FCMS Discipline Plan runs concurrently for all classes. The progress of the Discipline Plan starts over at the beginning of the next semester- “Clean Slate Policy.”

1. Written warning filed. Teacher/student communication will include how to improve behavior.
2. Written warning filed and parent contact made by phone. Teacher/student communication will include how to improve behavior.
3. Detention will be assigned. A detention form will be issued to the student to be signed by a parent/guardian and returned to the assigning teacher the next day. Teacher/student communication will include how to improve behavior.
 - **Three (3) detentions equal a dean referral.**
4. Dean Referral
 - **Students who receive two or more dean referrals, or a referral which results in out of school suspension, will not be eligible for good behavior reward field trips.** This policy applies to the 8th grade Washington D.C. trip. Administration reserves the right to revoke field trip privileges and deny refunds.

EXCEPTIONS: Fighting, obscenity, defiance toward administration/teacher/staff or participation in any activity that is deemed dangerous to any student or any other serious violation will result in automatic referral to the Dean.

DETENTION

It may be necessary to keep students after school for disciplinary reasons. If this occurs, parents will be given a 24 hour notice either by phone or in writing. Students will not be kept after school for more than one hour. The teacher, dean of students, or administration will assign the day and time for

detention. The detention will be held in a designated room. Parents are responsible for providing transportation from detention.

SUSPENSION

The principal or his designated representative may suspend a student from school for willful disobedience, open defiance of his/her authority or that of a member of the FCMS staff, use of profane or obscene language, serious misconduct, and/or for repeated misconduct of a less serious nature. The suspension shall be reported immediately in writing to the parent/guardian of the student. Each day a student is suspended from school the absence is unexcused. Suspended students will be given the opportunity to make up all work as specified in the Student Code of Conduct.

IN-SCHOOL SUSPENSION (ISS)

When a student is assigned ISS, he or she is removed from the traditional classroom environment and reports to the Dean's office. The student is then escorted to a designated supervised area where he/she, is expected to complete class assignments.

- The right to an education.
- The right to be respected and treated with kindness at school.
