

ST. JOHNS COUNTY

HOPE COURSE

St. Johns Virtual School is **Proud** to offer High School Credit H.O.P.E. courses over the summer.

Sign up for your H.O.P.E. course now!

The Health Opportunities through Physical Education (HOPE) course is a course that explores different components of health (physical, emotional, social, and nutrition).

The St. Johns Virtual School HOPE online course is offered fully online. Students are given multiple choice quizzes, journal entries, written assignments, and discussions with a teacher.

Quick Facts about HOPE:

- HOPE is a 2-semester **required** course for high school graduation, which can also be
- used for the virtual course requirement for graduation, meeting two high school graduation requirements, with one course.
- Students have the option of completing one semester or the entire HOPE course over any given summer.
- The HOPE course can be completed on any digital device. Students can complete assignments on a tablet, phone, or computer.
- Students have the flexibility to complete the course at home.

***A certified St. Johns County HOPE teacher is available
for any questions about the course!***

Ms. Lippo, Assistant Principal
(904) 547-8088

Ms. Dixon, Registrar
(904) 547-8086

Ms. Forfia, School Counselor
(904) 547-8091

How to Sign up

Step 1) Please visit the St. Johns Virtual School website at: www.stjohnsvirtual.com

Step 2) There will be two options for taking summer H.O.P.E. The second **Red button** below will allow you the opportunity to register using the FLVS curriculum and the **Orange button** will allow you the opportunity to register with the APEX curriculum
Please see image below for reference

Note: Most students choose to take with the APEX curriculum with their friends and login using CLEVER credentials. Also much easier to request the course :)

Step 3) Fill out the registration for either platform and select a preferred start date of **February 10, 2022**. Our teachers will reach out to you on or around that date. Students can then wait until summer to begin the course **OR** they can begin in February. Please communicate with your teacher your preferred start so they can not this. We recommend starting earlier to allow more flexibility during the summer to complete.

Step 4) February 10, 2022 Preferred Start Date!!!!
