Call to Order by Trisha Warner at 3:02  
Recording officer: Karen S. Forfar

SAC funds available according to Pam Wiltse \$9, 586.15

**Approve January Minutes** Motion to Approved by Kathy Robinson 2<sup>nd</sup> by Eric Hurst

**E-path presentation-Mrs. Dill**

**Epath is first a diagnostic tool, then it is progress monitoring. This year no NRT, so this will not only diagnose and progress monitor, but also prepare students for FCAT math testing. Questions closely align with Sunshine State Standards. Data is immediate and technology driven. Can be done both online and offline. Tool is used in all three grade levels and has a prescriptive path aspect for each student. Contact Deb Dill for further information.**

**Funds Request**

**Ms. Greening- \$400 for frames for art dept. Mr. McCormick will check on paying for the cases. Approved by Mrs. Thompson and 2<sup>nd</sup> by Mrs. Wiltse**

**Principal's Report- Mr. McCormick**

**SAC Needs Assessment Survey Results**

**Students- Students want after school activities. The new schedule has cut our offerings in half. Mr. McCormick will look at money and budgets. The Flyer Store and the pep rally are really appreciated. The different grade levels are also happy with the staggered dance times too.**

**Parents mentioned communication and character education. 86% thought we did a good job of communication. Homeroom communicator is a good thing. Character education was noted as a positive by over 90% of parents.**

**Note that one challenge was getting responses from parents. We only had 330 responses in spite of numerous communications sent out.**

**Mr. McCormick requests we attend a town hall meeting with Dr. Joyner. We are approaching a \$30 million dollar shortfall. Also please go to the district website to the "Call to Action" button and submit your concerns and spread the word to corporate America!**

Meeting closed at 3:44 PM by Trisha Warner
