Presentation of Write Score! by Karen Forfar-Write Score is a necessary tool for language arts teachers as it breaks down the scores in the different areas of focus and it allows the teachers to have, “teacher-student” conferences to explain their scores and what they can do to improve their score next time. The test is given 3 times a year so the teachers and students can see their growth throughout the year. Contact Karen Forfar for further information.

Principal’s Report- Mr. McCormick-
