Call to order: Meeting called to order at 2:30 PM. We do not have a quorum today because we are not physically present.

Reminders: Please be sure to sign in.

Old Business- T. Carroll- SAC funds balance updated

- SRF: \$8,472.21
- SAC: \$266.43- No changes

New Business- T. Carroll

- T. Carroll welcomed everyone to the meeting and presented today's agenda. T. Carroll updated everyone on the updates from the school district on how SAC runs and how it functions. SAC can use SRF to help teachers and staff. Currently, we have been meeting virtually as a committee. The district came to discover that we need to be physically present to vote. We can offer virtual meetings; however, the new changes must take place in person and in a public space for us to be able to vote. As a virtual member, you can attend; however, you cannot vote unless you are physically present. We can continue as status quo until we need to be present to vote. The option would need to be every other month for physical meetings.

The SAC survey will be going out soon to parents, faculty, and staff, so February 10th would be an excellent time for us to be in-person and to vote. We will need to get the word out so that we can be physically present to vote to have a quorum. R. Sandler recommended that we have an RSVP from members to have a quorum present for this meeting. Times for the SAC meetings were also discussed, and we have the option to start at 2:00 pm, versus 2:30. The Next meeting on February 10th will take place at 2 pm in person in the Media Center.

Principal's Update- A. Hensley

- Ms. Hensley wants to update us on testing. PM 2 testing is taking place this week. Gains are being shown with testing, so teachers and students are super excited! Basketball season has kicked off, and games will be starting next week. 8th-grade formal dance is around the corner in February, and Gradventure will take place in May. February will start registration for next year, too.

Adjourned

Motion to adjourn was made by T. Carroll. M. McCarthy seconded the motion.

Meeting convened: 2:53 PM
